

Close to half? (Phase 4-6)

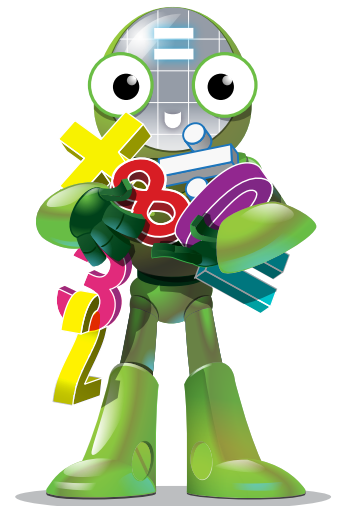

Duration:
Approx 15-20 mins

- This is a 2 player game
- You will need number cards (1 to 10), which you can make with card or paper
- Each player takes their turn picking up a card until both players have 5 cards each
- Using the two of their cards, each player has to make a fractions that is close to half
- The winner is the player that gets closest to half

You will need:

- Number cards
(can be made with paper)

L/O: To make equivalent fractions of a half and comparing fractions.
